Endicott Ancestors Honored Celebrating Our Endicott Heritage

Endicott ancestors have been honored with the publication of a Perpetual Calendar by the Endecott-Endicott Family Association, Inc. (EFA, Inc.).

They are all descendants of Governor John Endecott, the First Governor in the Massachusetts Bay Colony.

The Perpetual Calendar contains numerous historical photos celebrating the rich Endicott heritage from England and around the United States; historical vital and other events of Endicott ancestors, including those dating back to before 1628; a collection of Endicott historical facts and much more.

For more information on how to order a Perpetual Calendar, contact Gordon S. Harmon or Cindy Endicott Levingston.
